## Youth Venture offers ways to serve and learn in summer 2024!

Youth Venture sends teens and young adults, ages 15-22, on short-term service and learning experiences to engage with the work of God that is already taking place in communities around the globe. Hosted by churches and Mennonite Mission Network partners, Youth Venture teams explore how Christians work towards reconciliation in their local contexts. Participants will learn how people can make a difference by confronting injustice and offering healing and hope.

### Locations at a glance

#### Benin | July 8-21, 2024

Located in French-speaking West Africa, the city of Allada, Benin, is home to *La Casa Grande* Benin, a Christian ministry for children who need food, shelter and a family. This Youth Venture team will become a part of this family, through group worship, playing sports and teaching English.

#### South Korea | Two weeks in June 2024

Youth Venture in South Korea (ages 18+) will bring us to a new relationship with God through the people and culture. We will learn how the Anabaptist/Mennonite community engages with the Gospel of Peace and embodies the life of Jesus through non-violence, restoring broken relationships, building peace and pursuing justice.

#### Just Peace Pilgrimage | Ongoing

Explore what God is doing to bring justice and peace to the world, and learn ways to participate in such movements, through two types of pilgrimages: Christ at the Border pilgrimages and Racial Justice pilgrimages. Mission Network invites your Sunday School class, youth group and friends to join us as we learn together how to walk in solidarity and celebrate life. **Contact us to arrange a Just Peace Pilgrimage for your youth group.**

**Application deadline: April 15, 2024, for international locations and May 15, 2024, for domestic locations.**
